Professor Connor

Instructions: Review the detailed instructions on WebCT. Use this document as a template for your assignment. Insert your three images and type your three captions where indicated. Be sure that your caption identifies the location, connects it to a larger pattern of living in the Metroplex, and poses a question about the site and its relationship to society that could be answered by research (if not your own research, than research by others).

Save the file with a filename that includes your WebCT ID, using the following pattern: abc1234Photoessay.doc.

Upload the assignment file to WebCT before 12:00 AM on Saturday, September 19 for full credit.
